

Lumicor[®]
Decorative Resin Inserts

Décor | Natural Leaves

Décor | Meadow

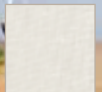

Lumicor translucent resin panels capture light, beauty and imagination and transform the ordinary into the extraordinary! Our inserts are a stunning alternative to traditional decorative glass.

Lumicor panels can be used in a wide variety of applications including doors, cabinet inserts, partitions, interior windows and railings.

Lumicor inserts are available in a number of convenient part sizes that can be easily trimmed to fit any application. Please see your local dealer for available sizes. Visit www.lumicor.com/decorativeresininserts for more information.
